Art Director (f/m/d), Senior Berlin, full-time

onformative is a studio for digital art and design based in Berlin. Our work consists of self-initiated and commissioned projects across media, to challenge the boundaries between art, design and technology.

More about our work and projects on www.onformative.com

We are looking for an enthusiastic Art Director (m/f/d) on a senior level to take a leading role in our team in Berlin. The ideal candidate has 4+ years of experience in a studio or agency within the realm of digital art and design.

Within our focused team of experienced artists, producers and developers you will take a leading role in creating stunning projects for international brands. You will be responsible from the first brief to the final execution of the project, communicate with and present to the client, while leading and organising the team on the creative side. You should have a strong ability to approach creative challenges from conceptual, technical and aesthetic points of view and to think across media. Next to extraordinary design skills, this role requires profound experience in guiding a team as well as a talent for communication and organisation.

Tasks

- Steer and lead the creative, day-to-day processes of a team of designers and coders on the creative/design-side of things
- Assemble creative teams
- Actively participate in the design and production process (hands-on work on the designs)
- Take creative ownership of a project / actively push the project
- Plan processes, timings and milestones together with the project manager
- Oversee the deliverables and ongoing processes within the team of creatives
- Development of creative concepts (incl. visualizations, moodboards, styleframes)
- Create presentations
- Present to and communicate with clients and/or agencies

Requirements

- 4+ years of experience as Art Director in a leading role in a similar studio or agency
- Enthusiasm for digital art and design
- Passion for moving image and visual storytelling

- Interest in art, culture and science
- Strong ability to approach creative challenges from conceptual, technical and aesthetic aspects
- Strong presentation and communication skills for client communication
- Leading qualities for larger teams
- Fluent English (German is a plus)
- Hands-on knowledge in Cinema4D/AfterEffects
- Knowledge in procedural/generative design is a plus

Terms

The position is available immediately or any time soon, based on-site at our studio in Berlin Friedrichshain. We're happy to talk about part-time or family-friendly hours.

How to apply

Please email your CV, salary expectations and portfolio or web links to job@onformative.com

We look forward to hearing from you!
