## 3D Artist / Visual Designer (f/m/d), midweight to senior Berlin, Full-time

[onformative](#) is a studio for digital art and design based in Berlin. Our work consists of self-initiated and commissioned projects across media, to challenge the boundaries between art, design and technology.

More about our work and projects on [www.onformative.com](http://www.onformative.com)

We are looking for a 3D Artist / Visual Designer to join our team in Berlin permanently. You will work on exciting projects that range from generative branding, real-time experiences to large-scale media installations. Together with our focused team of experienced artists, developers and producers you will create stunning visuals for international brands and institutions.

The ideal candidate has a working experience of at least three years in a midweight position within the field of digital art and design. You'll need a strong ability to approach briefs from both a technical and creative, visual standpoint. Strong abilities and profound experience with tools such as Cinema 4D, Redshift and or Octane, Houdini and After Effects are a necessity.

### Requirements overview

- At least a few years of working experience as midweight 3D Artist / Motion Designer
- Enthusiasm for digital art and design
- Passion for moving image and visual storytelling
- Understanding of the procedural/generative design process
- Strong ability to approach creative challenges from conceptual, technical and aesthetic aspects
- Technical skills in tools as Cinema 4D, Redshift, Houdini and After Effects is a must
- English and/or German speaking

### Terms

The position is available immediately or any time soon, based on-site at our studio in Berlin Friedrichshain.

### How to apply

Please email your portfolio or web links, CV and salary expectations / day-rate to [job@onformative.com](mailto:job@onformative.com)

We look forward to hearing from you!
