

Intern 3D / motion (f/m/d)

Berlin, 6 months

onformative is a studio for digital art and design based in Berlin. Our work consists of self-initiated and commissioned projects across media, to challenge the boundaries between art, design and technology.

More about our work and projects on www.onformative.com

We are offering the ongoing opportunity for a 3D Artist / Motion Designer (f/m/d), preferably enrolled in a study program, to complete an internship within our team. The ideal candidate is keen to evolve and able to approach creative challenges from conceptual, technical and aesthetic points of view. Generalists are welcome!

You will have the opportunity to become part of our focused team, take an active role in our explorative process and work on projects that range from self-initiated artworks to projects for international clients.

Requirements

- Enthusiasm for digital art and design
- Passion for moving image and visual story-telling
- Curious and self-motivated
- Either English and/or German speaking
- Skills in tools such as Cinema4D, Octane, AfterEffects
- Houdini or Unity is a plus, although not required

Terms

This position is an open invitation to dedicated talents. As we are usually filling internships in a timely fashion, we appreciate planning ahead. Please let us know what timeframe you're applying for. Our internships are based on-site at our studio in Berlin Friedrichshain.

How to apply

Tell us about you and your passion along with sending your CV and sound portfolio or web links to job@onformative.com

We look forward to hearing from you!
